Re: Steven Bell
CDC No: P80445
Case No: 62-007105
Date of Sentence: May 10, 2000

Dear Honorable Pineschi:

The purpose of this letter is to provide the court with authority to resentence Steven Bell pursuant to Penal Code (PC) Section 1170, subdivision (d)(1). Section 1170, subdivision (d) provides that, upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation, the court may recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

Since his commitment date of May 24, 2000, inmate Bell has been found guilty of the following serious rules violations: use of a controlled substance based solely on positive urinalysis results (tested positive for ethanol) dated February 25, 2014, resisting a Peace Officer dated July 16, 2004, and mutual combat dated June 4, 2003. He is currently assigned to a barber position, Alcoholic Anonymous, and Sharp Self-Help. Past classes include Narcotics Anonymous, Employment Preparation, Life Skills, and Anger Management. He has also earned two High School Equivalency Certifications, one dated April 3, 2012, from the State of California Department of Education and the second one dated February 29, 2012, from Greystone Adult School. Inmate Bell is a 53-year old, 3rd term offender received from Placer County on May 24, 2000, pursuant to a conviction for PC 459 burglary 1st, PC 667(a) prior felony conviction of serious offense. He was sentenced to 35-years to life and has a current minimum eligible parole date of August 11, 2027. There are no active or potential holds, warrants or detainers. There is no indication of association with any Security Threat Groups.

Having reviewed the enclosed documentation it appears that inmate Bell's sentence warrants the attention of the court. Pursuant to Section 1170, subdivision (d), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

SCOTT KERNAN
Secretary
