Re: Darrell Matthew Ellis
CDCR No: J89782
Case No: GA060255-01
Date of Sentence: May 11, 2006

Dear Honorable Janice Claire Croft:

The purpose of this letter is to provide the court with the authority to resentence inmate Darrell M. Ellis, J89782 pursuant to Penal Code (PC) Section 1170, Subdivision (d)(1), based upon his exceptional conduct while incarcerated. PC Section 1170, Subdivision (d)(1) provides that, upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation (CDCR), the court may recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

As the Secretary of CDCR, I take my obligation to public safety very seriously and choose only to make exceptional conduct referrals when an inmate's behavior, while incarcerated, demonstrates a sustained compliance with departmental rules, regulations and requirements as well as prolonged participation in rehabilitative programming. These inmates have not only exhibited exceptional conduct through their ability to obey rules and regulations, but have also demonstrated a commitment to their rehabilitation through voluntary participation in self-help programs.

Inmate Ellis has received one Rules Violation Report since being received to the CDCR but has remained disciplinary free since November 7, 2011. Inmate Ellis is currently assigned as a Unit Clerk and his current supervisor notes that he has been an excellent worker. Inmate Ellis previously served in other Program and Education Office Clerk positions, and participated in Voluntary Onsite and Correspondence College. Ellis has earned two Associate in Arts degrees. He participated in the Truth Project Self-Help Course, Partnership for Re-entry Program seminars, and fundraisers for worthy causes. Inmate Ellis has received numerous certificates and laudatory chronos from group sponsors, acknowledging his

commitment and dedication to these self-awareness and improvement groups. Various staff at Folsom State Prison have been interviewed in regards to inmate Ellis' current programming and behavior. Staff stated inmate Ellis is an excellent worker, has a positive attitude, and is able to work independently. Housing Unit staff stated inmate Ellis is respectful, gets along well with other inmates, and they have never had any problems with inmate Ellis.

Having reviewed the enclosed documentation it appears that inmate Ellis' sentence warrants the attention of the court. Pursuant to PC Section 1170, Subdivision (d)(1), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

KATHLEEN ALLISON
Secretary
