Re: Julio Cesar Salas
CDC No: P59721
Case No: BA182622
Date of Sentence: October 22, 1999

Dear Honorable Daniel J. Buckley:

The purpose of this letter is to provide the court with authority to resentence Julio Cesar Salas pursuant to Penal Code Section 1170, subdivision (d)(1). Section 1170, subdivision (d) provides that, upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation, the court may recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

It should be noted inmate Salas has been found guilty of three serious rules violations since his arrival date of November 5, 1999. Inmate Salas' disciplinary history consists of possession of dangerous contraband (cellular phone) on May 21, 2013, fighting May 30, 2011 and March 4, 2009. Inmate Salas is currently assigned as an Offender Mentor through the 2080 hour Offender Mentor Certification Program and is also taking classes relating to substance abuse, criminal thinking, motivational thinking, victim awareness and religious services. In addition to his self-help classes inmate Salas has also taken college courses at Coastline Community College. This commitment to positive change will assist inmate Salas in his transition back into society.

Having reviewed the enclosed documentation it appears that inmate Salas' sentence warrants the attention of the court. Pursuant to Section 1170, subdivision (d), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

SCOTT KERNAN
Secretary
