Re: Joga Singh Sandher
CDCR No: T36218
Case No: 000394-7
Date of Sentence: November 9, 2001

Dear Honorable Richard S. Flier:

The purpose of this letter is to provide the court with the authority to resentence inmate Joga Sandher, T36218, pursuant to Penal Code (PC) Section 1170, Subdivision (d)(1). PC Section 1170, subdivision (d)(1) provides that, upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation (CDCR), the court may recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

As the Secretary of CDCR, I take my obligation to public safety very seriously and choose only to make exceptional conduct referrals when an inmate's behavior, while incarcerated, demonstrates a sustained compliance with departmental rules, regulations and requirements as well as prolonged participation in rehabilitative programming. These inmates have not only exhibited exceptional conduct through their ability to obey rules and regulations, but have also demonstrated a commitment to their rehabilitation through voluntary participation in self-help programs.

Inmate Sandher has remained disciplinary free since being received to CDCR on November 21, 2001. Inmate Sandher is currently assigned as a California Prison Industry Authority (CALPIA), Mattress Production Worker. Inmate Sandher also participates in Victim Offender Education Group, California Re-entry Institute, Alcoholics Anonymous, and Narcotics Anonymous and has received Letters of Support and 24 Laudatory Chrono's from these self-help group sponsors acknowledging his commitment and dedication to these Self-Awareness and Improvement Groups.

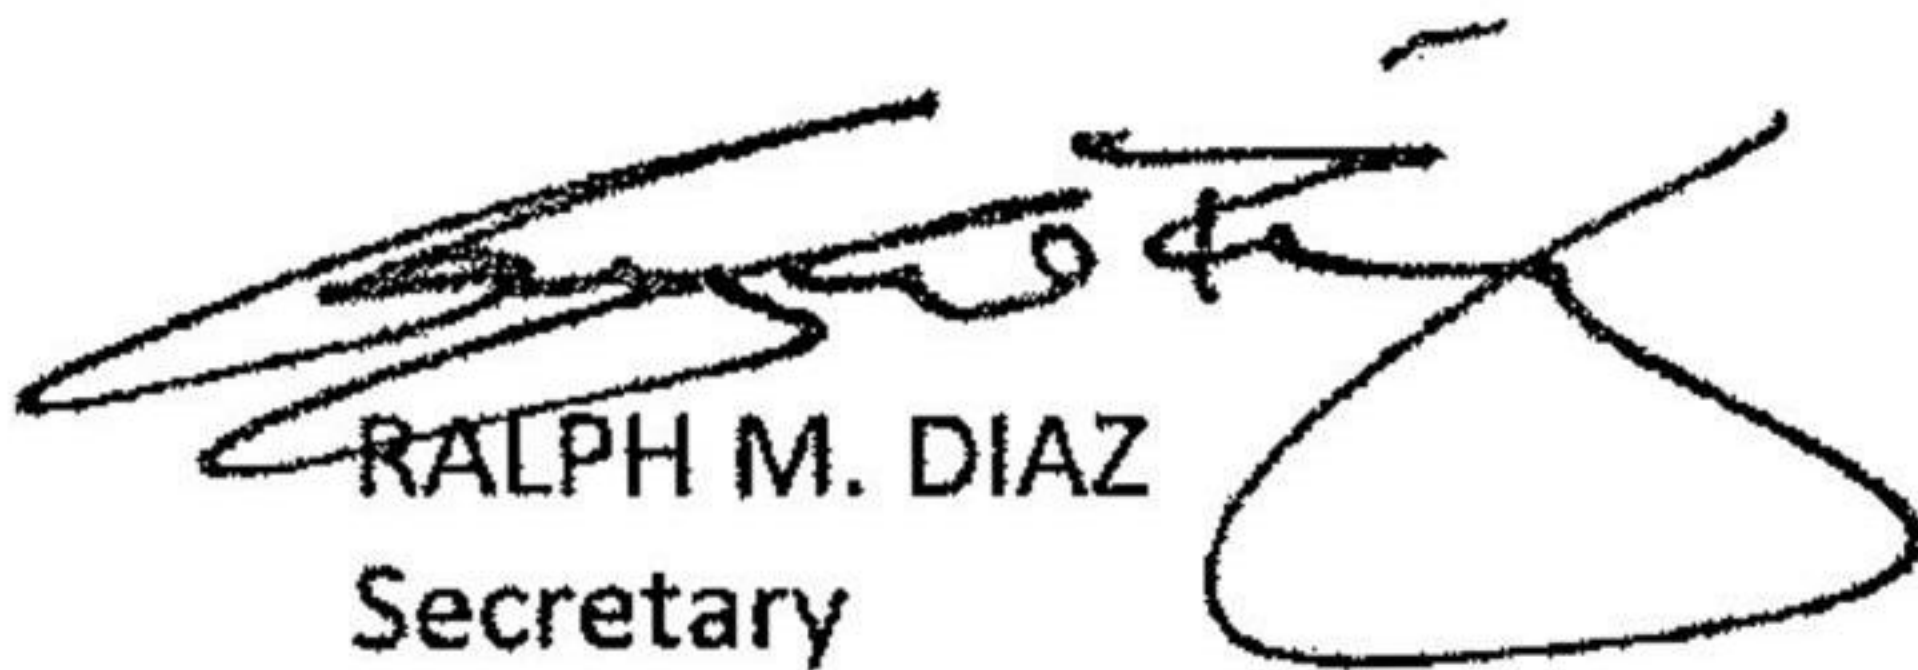

The Honorable Richard S. Flier

Inmate Sandher met the standards of the General Educational Development and received his High School Equivalency Certificate at Pleasant Valley State Prison. Various staff at San Quentin State have been interviewed in regards to inmate Sandher's current programming and behavior. Staff stated that if there were a "model inmate" in CDCR, inmate Sandher would be that inmate. Staff further stated Sandher is very respectful with staff and inmates, a programmer with few words and no complaints, and programs regularly by attending class and work.

Having reviewed the enclosed documentation it appears that inmate Sandher's sentence warrants the attention of the court. Pursuant to PC Section 1170, Subdivision (d)(1), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

RALPH M. DIAZ
Secretary
