Re: Mario Willis
CDC No: G21157
Case No: SCD208339
Date of Sentence: June 23, 2008

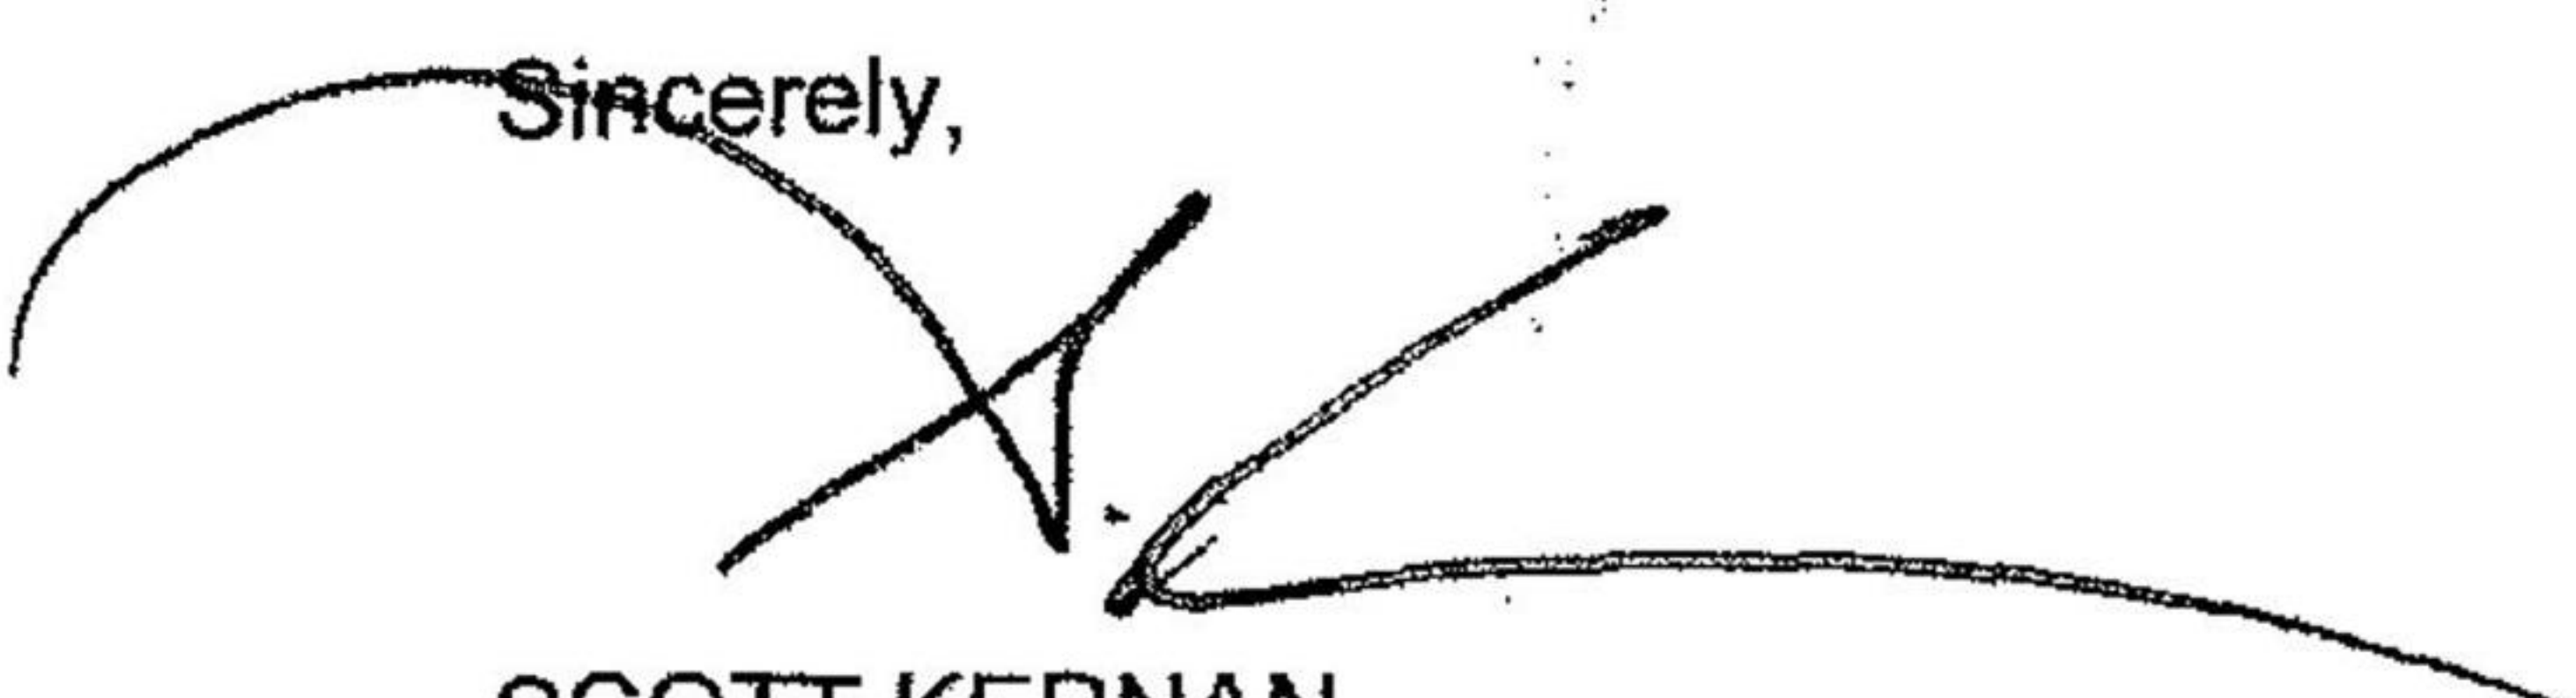

Dear Honorable Deddeh:

The purpose of this letter is to provide the court with authority to resentence Mario Willis pursuant to Penal Code Section 1170, subdivision (d)(1). Section 1170, subdivision (d) provides that, upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation, the court may recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

Since his commitment date of July 3, 2008, inmate Willis has remained disciplinary free with no serious or administrative rule violation reports. He is currently assigned as a Chaplain's clerk and to the Victim Offender Education Group. His past assignments include college courses, Alternatives to Violence, Jewish Alcoholics Anonymous, and Graphic Arts and printing. He was recently recognized for his willingness to attend rigorous training and for volunteering his time to sit with terminally ill patients at the California Men's Colony Hospital, including a 24 hour vigil when an inmate is near death. During his incarceration he has taken full advantage of opportunities to prepare himself for his eventual release to society.

Having reviewed the enclosed documentation it appears that inmate Willis' sentence warrants the attention of the court. Pursuant to Section 1170, subdivision (d), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

SCOTT KERNAN
Secretary
