Re: Steven Dorell Wilson
CDCR No: F18575
Case No: CC580641
Date of Sentence: February 21, 2006

Dear Honorable David A. Cena:

The purpose of this letter is to provide the court with the authority to resentence inmate Steven Wilson, F18575 pursuant to Penal Code (PC) Section 1170, Subdivision (d)(1), based upon his exceptional conduct while incarcerated. PC Section 1170, subdivision (d)(1) provides that, upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation (CDCR), the court may recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

As the Secretary of CDCR, I take my obligation to public safety very seriously and choose only to make exceptional conduct referrals when an inmate's behavior, while incarcerated, demonstrates a sustained compliance with departmental rules, regulations and requirements as well as prolonged participation in rehabilitative programming. These inmates have not only exhibited exceptional conduct through their ability to obey rules and regulations, but have also demonstrated a commitment to their rehabilitation through voluntary participation in self-help programs.

Inmate Wilson has remained disciplinary free since being received to CDCR on March 14, 2006. Inmate Wilson is currently assigned to California Prison Industry Authority Facilities Maintenance. Inmate Wilson also participates in Straight Life, College (onsite), and Guiding Rage into Power. Wilson has received eighteen letters of support, numerous certificates, and 35 Laudatory Chronos from correctional staff, commending his behavior and from self-help sponsors acknowledging his commitment and dedication to self-awareness and improvement groups. Staff at Deuel Vocational Institution have been interviewed in regards to inmate Wilson's current programming and behavior. Staff stated inmate Wilson is always

helpful and polite, and as a participant in the Straight Life Program, inmate Wilson has the ability to reach out to the kids in the program and get them to open up about why their behavior has gone down a path that could lead to destructive consequences.

Having reviewed the enclosed documentation it appears that inmate Wilson's sentence warrants the attention of the court. Pursuant to PC Section 1170, Subdivision (d)(1), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

RALPH M. DIAZ
Secretary
