Re: WOODMORE, TRENT ALLEN
CDCR No: AG4661
Case No: FVI1301211
Date of Sentence: September 5, 2014

Dear Honorable Lisa M. Rogan:

The purpose of this letter is to provide the court with the authority to resentence incarcerated person Woodmore, AG4661 pursuant to Penal Code (PC) Section 1172.1, Subdivision (a)(1) based on exceptional conduct while incarcerated. PC 1172.1(a)(1) provides that upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation (CDCR), the court may consider recall of a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

As the Secretary of CDCR, I take my obligation to public safety very seriously; I only make exceptional conduct referrals when an incarcerated person's behavior demonstrates a sustained compliance with departmental rules and regulations, as well as prolonged participation in rehabilitative programming. Woodmore has not only exhibited exceptional conduct through their ability to obey rules and regulations but has also demonstrated a commitment to their rehabilitation through voluntary participation in various self-help programs, and vocational and educational programs. Woodmore has displayed dedicated participation in their rehabilitation.

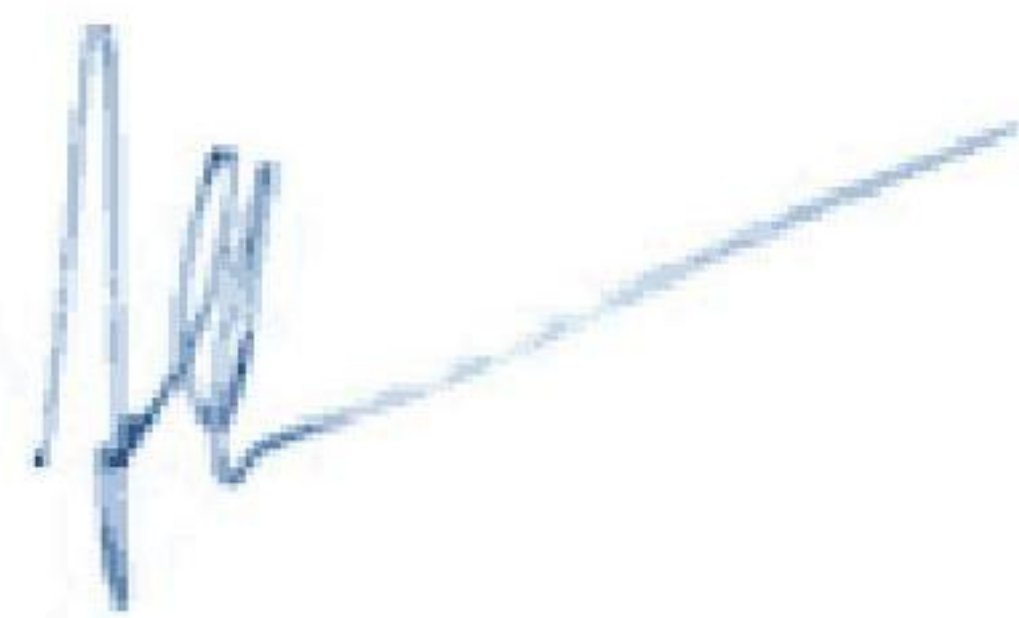

Only the Warden of the institution where the incarcerated person is housed can make a recommendation for a potential resentencing referral. Only a select few cases are approved by the Secretary and referred to the court.

Woodmore has only received one non-serious Rules Violation Reports since being received to CDCR on September 26, 2014, Woodmore is currently assigned as a Distribution File Clerk, and

voluntarily assigned to an inmate community services program, Light Keepers; and The Urban Ministry Institute. Woodmore has received numerous certificates and laudatory chronos from group sponsors acknowledging their commitment and dedication to these self-awareness and improvement groups.

Having reviewed the enclosed documentation it appears that Woodmore's sentence warrants the attention of the court. Pursuant to PC 1172.1, as the Secretary, I recommend the Woodmore's sentence be recalled and that they be resentenced.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jeff Macomber', with a long horizontal stroke extending to the right.

JEFF MACOMBER

Secretary
