Re: Satchell Wilkerson
CDCR No: AE2031
Case No: BA358428-01
Date of Sentence: June 25, 2010

Dear Honorable Charlaïne F. Olmedo:

The purpose of this letter is to provide the court with the authority to resentence inmate Satchell Wilkerson, AE2031, pursuant to Penal Code (PC) Section 1170.03 Subdivision (a)(1), based upon his exceptional conduct while incarcerated. PC Section 1170.03, Subdivision (a)(1) provides that upon recommendation of the Secretary of the California Department of Corrections and Rehabilitation (CDCR), the court consider and possibly recall a previously ordered sentence, provided the new sentence is no greater than the initial sentence.

As the Secretary of CDCR, I take my obligation to public safety very seriously and choose only to make exceptional conduct referrals when an inmate's behavior, while incarcerated, demonstrates a sustained compliance with departmental rules and regulations, as well as prolonged participation in rehabilitative programming. These inmates have not only exhibited exceptional conduct through their ability to obey rules and regulations, but many have also demonstrated a commitment to their rehabilitation through voluntary participation in various self-help programs, vocational and educational programs, and have displayed a dedicated participation in programs such as Prison Industry Authority, Division of Rehabilitative Programs, and the Integrated Substance Use Disorder Treatment program, to name a few.

Only the Warden of the institution where the inmate is incarcerated can make a recommendation to the Secretary for consideration for potential resentencing referral. Once a recommendation is received, the inmate's case factors are compiled and then thoroughly reviewed by the Director of Adult Institutions. Only a select few cases are approved by the Secretary and referred to the court.

The Honorable Charlaine F. Olmedo

Inmate Wilkerson has received one Rules Violation Report since being received to CDCR on July 15, 2010, and has remained disciplinary free since May of 2014. Inmate Wilkerson is currently assigned as an American Disability Act (ADA) worker/semi-skilled. Inmate Wilkerson is not currently assigned to any self-help groups, and has not participated in any groups since September of 2017. Inmate Wilkerson has received eight laudatory chronos from Correctional and Institutional staff acknowledging his exceptional conduct and work performance during his incarceration.

Having reviewed the enclosed documentation it appears that inmate Wilkerson's sentence warrants the attention of the court. Pursuant to PC Section 1170.03, Subdivision (a)(1), as the Secretary, I recommend the inmate's sentence be recalled and that he be resentenced.

Sincerely,

KATHLEEN ALLISON
Secretary
